

CITY OF HILLSBORO

COMMERCIAL & INDUSTRIAL & MULTI-FAMILY PERMIT & SYSTEM DEVELOPMENT FEES FOR NEW CONSTRUCTION

This informational sheet is based on fees effective August 6, 2013. Projected costs also depend on Development Review Conditions that are site specific. If you are interested in a Commercial/Industrial or Multi-Family quote, please contact the Building Department at (503) 681-6144.

*To facilitate the permitting process the City of Hillsboro maintains a “one-stop” permitting center. Therefore, all the documents and fees associated with a project are submitted and collected at one location. **However, some of the fees associated with the project are not in direct control of the COH building department but are collected by the department and passed through to their respective agencies.** These fees are: 1. Construction excise tax (Metro and School), 2. Water Fees, 3. Sewer Fees, 4. Traffic Impact Fee, 5. Surface Water Management, 6. Parks, 7. Erosion Control, 8. Right of Way Permit. For that reason we have included telephone numbers and contacts for other agencies in the event that the applicant has questions regarding these fees.*

Applications which involve existing buildings where changes of occupancies are planned will be assessed transportation development tax/traffic impact fees based on the proposed traffic use for the building. For that reason it is important that the applicant accurately describe the existing and proposed uses for the building.

*A Sensitive Area Pre-Screen provided by Clean Water Services will be required for any lot platted before September 1995.

BUILDING FEES

The building fee is calculated by using the Valuation given by the applicant.

Based on this valuation, see the attached Building Permit Fee Chart to determine your structural plan review fee and total building permit fee.

Structural plan review fee is calculated at 65% of the permit fee. Fire & Life Safety plan review is calculated at 40% of the permit fee.

FIRE PERMIT FEES

The fire permit fee is calculated by using the Valuation given by the applicant.

Based on this valuation, see the attached Building Permit Fee Chart to determine your plan review (only Fire & Life safety is assessed for Fire Permits) and total building permit fee.

Fire & Life Safety plan review is calculated at 40% of the permit fee.

PLUMBING FEES

The plumbing fee includes all plumbing fixtures and all site utilities for the new structure. Please see the Plumbing Permit Application for applicable fees.

MECHANICAL FEES

The mechanical fee is based on the mechanical Valuation given by the applicant, see the attached Mechanical/ Med Gas Permit Fee Chart to determine your mechanical plan review fee and total mechanical permit fee.

MEDICAL GAS FEES

The medical gas fee is based on the valuation given by the applicant. Please see the attached Mechanical/Med Gas Permit Fee chart to determine your medical gas plan review fee and total medical gas permit fee.

ELECTRICAL FEES

The electrical fee includes all electrical fixtures for the new structure. Please see the Electrical Permit Application for the applicable fees.

CONSTRUCTION EXCISE TAX

Metro C.E.T. – The tax is assessed at 0.12 percent of the value of the improvements for which a permit is sought. Permits for construction projects valued at \$100,000 or less will be exempted from this tax as well as permits for development of affordable housing units and permits issued to 501(c)(3) nonprofit organizations for other projects aimed at serving low-income populations. Permits for construction valued at more than \$10 million will be assessed a flat \$12,000 fee (0.12 percent of \$10 million). Please contact Metro at **503 797-1620** or visit their web site at www.oregonmetro.gov for additional fee information.

Hillsboro School C.E.T. - \$1.00 per square foot for residential construction and \$0.50 per square foot for non-residential construction, not to exceed \$25,000 per structure. Please contact the Hillsboro School District at **503 844-1500** or

Beaverton School C.E.T. - \$1.14 per square foot for residential construction and \$0.57 per square foot for non-residential construction, not to exceed \$28,400 per structure. Please contact the Beaverton School District at **503-591-8000** for additional fee information.

SEWER FEES

Sewer fees are based on new sewer fixtures installed. Please contact the Building Department for a quote. Please contact Clean Water Services at **503 681-3600** if you have questions regarding the rates.

FOR PROJECTS OVER \$100,000 OF VALUATION:

\$100,000 to \$999,999 - \$630.15 for the first \$100,000 and \$3.19 for each additional \$1,000 or portion thereof

\$1,000,000 and above - \$3,501.15 for the first million and \$3.19 for each additional \$1,000 or portion thereof

To determine the structural plan review fee, multiply the building permit fee by 65%. For the fire & life safety plan review fee, multiply the building permit fee by 40%. For the state surcharge, multiply the building permit fee by 12%.

EXAMPLE: \$450,600 valuation

\$630.15 First \$100,000 valuation
\$1,119.69 (351 x \$3.19) additional \$350,600 valuation
\$1,749.84 Building Permit Fee

\$1,749.84 x 65% = \$1,137.40 Structural Plan Review Fee

\$1,749.84 x 40% = \$699.94 Fire & Life Safety Plan Review Fee **(Com/Ind & Multi-Family Projects ONLY)**

\$1,749.84 x 12% = \$209.98 State Surcharge
